

“EQUIPPING THIS GENERATION TO TRANSFORM THE WORLD THROUGH THE POWER OF THE GOSPEL”

PRINCIPAL’S MESSAGE

Kia ora KCS
whanau,

Newsletter PRINCIPAL’S REPORT
Present Roll: 157

We are presently in the process of applying for a roll increase from 156 students to 180 in 2027, 190 in 2028, and 200 in 2029. If it be of God, He will make the way.

Progress to date: The atmosphere in the kura is very positive, and all staff are working their utmost to ensure that our tamariki are in a safe and caring environment. This is a work in progress as we are working to change mindsets so that these tamariki may understand that they are overcomers and precious in the sight of God. Change is not easy; however, if we continue to set high standards, eventually it will become normal in our DNA.

Manuhiri: We had the pleasure of hosting four principals from Auckland and Ashburton in the South Island. Eim College Botany, Mt Albert, and Henderson, as well as Ashburton Christian School in the South Island. First impressions last, as they commented on the cleanliness of the grounds, the pohiri and Praise and Worship, and the happiness of our staff and students. It’s wonderful when we allow God to reign.

Strategic Goals:

Attendance Management Plan: Winter has officially come to an end, and we have made it through with not too large a drop in attendance, which is understandable with students away sick.

Academia: The acceleration reading programme that we initiated in week 2 is progressing well, and we look forward to the positive outcome. The aim is to help those students in NCEA to pass their Literacy and Numeracy test.

Sports Academy: We are in talks with Te Wananga o Aotearoa to deliver a Level 4 Sports Unit Standard. We will know the outcome by the end of this month.

Cross Country: So proud of the efforts of our tamariki at the Ohaeawai Cross Country. Every student competed to the best of their ability. We will be selecting students to go to the Northland Cross Country finals in Whangarei next week.

Kotahitanga 1st XV: We have three students, Kayden Caville, Hoone Nordstrand, and Levi Shaw, who all played extremely well in the playoff for 3rd and 4th against Dargaville High. They have benefitted so much with the introduction of the Sports Academy this year. God Bless

Trades: Daizaleah Marupo continues to progress well at Peterson Motors, and Kayden and Keisha are at North Tech each Thursday for carpentry.

Bible Years 1-13: We have completed our survey and discussions with the Board are ongoing.

Prayer: We have a lunchtime prayer meeting for girls every Wednesday, which is run by our Teacher Aide, Sarah. There are now 24 of our students who attend Friday night Youth at the kura here.

Praise and Worship: Praise and worship is now run by our TA Samuel, another ex-student of KCS, and in such a short period he has a senior team leading our worship.

Chess: Very good progress with the chess, with the students looking forward to competing.

God bless you all.

TERM 4		

WHAT ARE ATTENDANCE DUES

The Ministry of Education does not fund building related costs at our School. Attendance Dues are only used to pay for building related costs. They can not be used for any other purposes. Paying

Attendance Dues is a condition of enrolment for all students attending our School. Attendance Dues are compulsory – there is a legal requirement for parents and caregivers to pay Attendance Dues under the Education and Training Act 2020. They are not a donation.

FAQs about Attendance Dues

- 1. What are they?**
Attendance dues are a legal charge, not a donation. Attendance dues are charged by the Proprietor for the property-related costs. (List of lawful expenditure).
- 2. What is the Proprietor?**
The Proprietor is Celebration Trust. Celebration Trust owns the School on behalf of the [church](#). The Proprietor is responsible to set and maintain the Special Character of the School and provide the facilities. The School Board is responsible for maintaining them.
- 3. How are they set?**
They were set in 1997 at \$500 plus GST and have been rebated to allow for more than one child per family.
- 4. What have they been spent on?**
In 1997 the School roll was 37 primary students and was sited in two primary classrooms, two small cottages, the principal's house, and the office. There was no sealed playground or carpark. We have removed the two cottages, purchased two houses, built six classrooms and a hall, extended the playground and developed it into a facility with a \$3million replacement value. The main expenditure now is the annual lease. The lease finances the \$1.2 million rebuild of block K to be opened in 2024 and future stages 2 and 3. The government does not fund any building at our school.
- 5. Will the Attendance Dues increase?**
Yes. In May 2023 we announced the start of the new build and increase in Attendance Dues. In 2024 there will be an increase to \$800 for years 1-8 and \$1000 for years 9-13. However, we are offering a rebate to families who need it. The rebated attendance dues for next year are \$650 for primary and \$750 for secondary.
- 6. How do I apply for the rebate?**
If you need the rebate next year, email heartofthenorth@hotmail.com. The family rebate will also stay in place.
- 7. How do we report on how the Attendance Dues are spent?**
The proprietor annually submits an audited report to the Ministry of Education. This is public information and available through the Board of Trustees.

TEACHER NOTICES

PARENT & WHANAU NOTICES

KCS cross country - Northland champs

Our KCS Cross Country team travelled to Whangārei to compete in the Northland Cross Country Championships. It was a fantastic opportunity for our runners to compete against some of the best young athletes from across Northland.

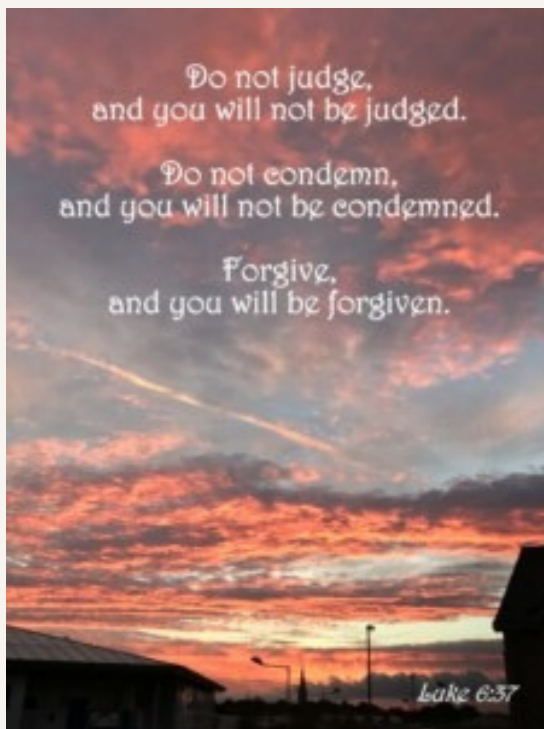

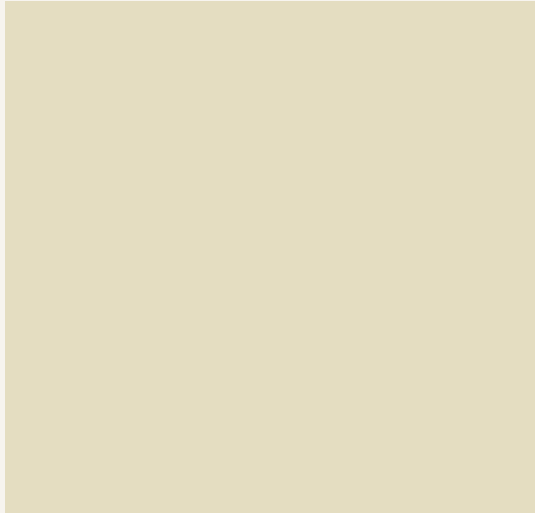

Our team represented KCS extremely well, showing excellent sportsmanship, determination and manners throughout the entire day. We were very proud of the way they encouraged one another and gave their best out on the course.

A special congratulations to Caleb Shaw, who achieved our top result of the day, finishing an impressive 14th place!

Well done to all of our runners. You represented KCS with pride, and we are incredibly proud of you all!
